GEAUGA COUNTY HEALTH DISTRICT – DECLARE NECESSITY TO LEVY A TAX AND REQUEST COUNTY AUDITOR CERTIFICATION

Health District Fiscal Coordinator Sandy Gerzeny reported this levy is for the same millage but is a replacement levy which will generate more money. The levy is requesting .2 mills that will generate about \$200,000.00 more per year. Commissioner Albert stated that he thought the Health District was going to ask for a higher millage. Ms. Gerzeny commented that this is the Health Advisory Board request. The department has cut staff as well as other things within the department and no raises have been given to meet their budget.

Commissioner Young reported that Mr. Evans, the owner of Blue Jay on Rapids Road, called and commented that the paving on Rapids Road was the best he has ever seen in thirty plus years and was very happy about it. Mr. Stone added that it is nice to be able to resurface a road that isn't in real bad condition because you do get good results as stated by Mr. Evans. In this case, they did not grind the road. Mr. Stone stated that he has found that with nine inches of asphalt it seems there is less chance of potholes and road failure. A lot of the county roads are getting to a good point with a good layer of asphalt on them.

DEPARTMENT OF JOB AND FAMILY SERVICES – RESOLUTION TO ESTABLISH PAUL AND ELMA MOORHEAD SCHOLARSHIP FUND

Director Tim Taylor reported that two months ago he received word that JFS was one of two recipients for memorial donations for family and friends selected by the family wishing to honor Mrs. Moorhead upon her death. Mr. Taylor met with Mrs. Moorhead's sister who shared some stories of the Moorhead's as foster parents and got her approval to set up this scholarship fund. Mr. Taylor stated the Moorhead's had served as foster parents to over seventy foster children and they apparently never said no. The Moorheads developed lasting relationships with their foster children. Mr. Taylor commented that Children's Services does a great job with children from 0-18, and other funding for adults is available but they struggle to find funds or resources to help those foster children who are approaching 18 and single. This scholarship will be able to help with schooling, secondary education, training skills or independent living needs.

Motion: by Commissioner Young, seconded by Commissioner Samide to approve and execute Resolution 08-072 to Establish the Paul and Elma Moorhead Scholarship Fund.

Date: May 13, 2008
Resolution: 08-072

Resolution to Establish the Paul and Elma Moorhead Scholarship Fund

WHEREAS, children are sometimes denied the love, self-esteem and support of family life they desperately need because their families are in crisis and unable to care for them, and in such cases foster families lovingly take these children into their home and play a vital role in helping the children and their families heal and reconnect; and

WHEREAS, May is National Foster Care Month dedicated to showing our nation's appreciation for the devotion of the foster families who care for these children and who give so much without expecting anything in return; and

WHEREAS, Paul and Elma Moorhead resided in Chardon and served as foster parents to more than seventy children between 1969 and 1985 opening their hearts and their home to children they had never met and giving each child their love and care. Paul and Elma relied upon their faith in God and upon each other and were willing to make being foster parents a central part of their life because helping a child find their way home was the only path they could take; and

WHEREAS, Paul and Elma, and in later years Elma alone, decorated their home with pictures of the children they had fostered, maintained relationships with "their kids", celebrated birthdays and holidays, eagerly shared news about "their kids" and never faltered in their love of all children; and

WHEREAS, Paul and Elma Moorhead exemplify the love, strenuous work and patient perseverance of foster parents everywhere.

THEREFORE BE IT RESOLVED, that the Geauga County Board of County Commissioners do hereby establish the Paul and Elma Moorhead Scholarship Fund in honor of Paul and Elma Moorhead and in honor of all those foster parents, present and past, who have shared their lives and given so much to the children of Geauga County; and

BE IT FURTHER RESOLVED, that the proceeds of the fund be used to provide financial support for the education and independent living needs of foster children reaching the age of eighteen and transitioning to adulthood and self dependence and that the fund be administered by the Department of Job and Family Services; and

BE IT FURTHER RESOLVED that this Resolution become part of the permanent record of the Board of County Commissioners of Geauga County, Ohio on this 13th day of May, 2008.
