**COMMISSIONERS' OFFICE – RESOLUTIONS RECOGNIZING AREA HIGH SCHOOL TEAMS AT THE 2013 NORTHEAST OHIO HIGH SCHOOL AREA II ENVIROTHON**

*Commissioner Jemison explained that there were some special guests present today. Every year the Board is proud of the students of Geauga County that participate and how they end up at the statewide Envirothon and that they come back with all kinds of honors. Today we will be recognizing Chardon High School Team Red and Team Black, Ledgemont High School, Kenston High School Team B and Team A, and West Geauga High School Blue Team and White Team. Mr. Jemison asked those present today to stand and be recognized, with representatives from Chardon and Ledgemont. It was noted that Kenston and West Geauga were unable to attend today. Mr. Jemison recognized Carmella Shale and Katie Nanninger from Soil and Water Conservation District for all they do to help and promote this in the schools throughout the county.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and execute Resolution #13-103 Recognizing the Chardon High School – Team Red at the 2013 Northeast Ohio High School Area II Envirothon.*

*Ms. Nanninger explained that the Envirothon is a competition where this year 17 area counties competed. Envirothon consists of five different stations with this year's theme being on rangeland management. Those stations include forestry, wildlife, aquatics, eco-station, and soils. The top four teams will represent Ohio at State and if they continue will go on to Nationals. Western Reserve RC & D along with Dominion is a big supporter every year. Gerald Webster, Treasurer from Western Reserve RC & D presented a check to the Chardon teams of \$550.00 to help defray costs for the State competition and hopes that they move on to Nationals. The Board presented the resolutions to the teams present and posed for pictures.*

**DEPARTMENT ON AGING – AGREEMENTS – 2013 SENIOR FARM MARKET**

*Ms. Bell explained that a letter is sent to the farmers' markets in Geauga County asking if they would be willing to work with the Department on Aging in participating in providing senior citizens with fresh fruits and vegetables. The seniors who participate in the local program have been identified as being nutritionally at risk. We try to get them to understand the importance of eating good nutritionally and that means eating fresh fruits and vegetables whenever possible. Over the course of the summer the participants will receive \$10.00 a month in vouchers that can be redeemed at the local farm markets who are willing to accept our vouchers. There is a turnaround time involved, adding that the markets redeem all the vouchers at once at the end of the month and are then issued one check as payment for the vouchers they turn in. It was discussed that the vouchers must be used for fruits and vegetables only and must be redeemed within the month, that they can't be held over or used for honey. Ms. Bell explained that in addition there is a program for those that receive home delivered meals, noting that they are given a list of items available this week and are given the opportunity to request 3 items a week and a shopper goes and purchases them and then delivers them with the meals. This is another way to get the fresh fruits and vegetables to those home bound seniors.*

*Mr. Spidalieri stated that this is really nice program, that gives back to the local farmers in the county.*

*Ms. Bell stated that they just recently learned that they would be again receiving funding for the farm market program again from the federal system. It is unclear how many voucher sets they will be receiving, but that program is aimed at low income seniors. Ms. Bell explained that with the database that they use they are able to sort the seniors that are both low income and nutritionally at risk along with those that are just low income. Ms. Bell stated that they hope to be able to change something in their lives. Overall, three letters encouraging participation in the program are sent as a way to maximize the number of seniors in the county with these programs.*

PERMISSION TO HUNT LEGAL GAME ON COUNTY PROPERTY – AUBURN TOWNSHIP**

*Mr. Vernick stated that this was the second agreement with Mr. Montazzoli giving permission for him to use the property. Mr. Vernick noted that the property is very close to where he lives and he helps us out by notifying us if he sees anything happening with the property. There was some discussion about having two agreements on this property and about Mr. Landies trapping on property near the county home. Mr. Spidalieri inquired about why there is not more hunting allowed on county property. Mr. Vernick noted that at this time that he has not had but these two gentleman contact him for permission. There was discussion about the potential for others to have access and use on county property and if more interest is shown that a lottery system may be an option. Local resident Diane Jones inquired about if an accident occurred on the property and who would be liable. Mr. Spidalieri stated that Mr. Montazzoli is responsible and provides his own insurance to the county. Mr. Jemison noted that in the agreement the Prosecutor's office has protected the county as best it can.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and execute the License Agreement with Todd Montazzoli giving permission to hunt legal game on county owned property (Parcel No. 01-706200, 01-706300, and 01-706500) in Auburn Township for the period May 30, 2013 through December 31, 2014.*

**PROBATE / JUVENILE COURT – OHIO DEPARTMENT OF YOUTH SERVICES JUVENILE  
COURT GRANT AGREEMENT AND FUNDING APPLICATION**

*Judge Timothy Grendell explained that Administrator / Magistrate David Lubecky and Probation Officer Michelle Schroeder were with him today to talk about the Ohio Re-claim grant that starts on July 1<sup>st</sup>. Judge Grendell noted that the program was started by the State of Ohio to encourage local counties to use their detention facilities for felonious based conduct of juveniles rather than sending them to the State DYS prison system. It was a way to give financial incentives and keep their juvenile offenders local. Judge Grendell stated that the state continues to adjust the formula and Geauga County is back to more of a normal use of the detention center. Last year Geauga County had two juveniles in DYS that both earned their way there. Geauga County's reclaim amount has therefore dropped for next year by \$90,000.00 and will have to re-adjust, noting that through the handy work of Mr. Lubecky and Ms. Schroeder that we have a carryover of \$59,000.00 and hope to also be awarded an exemption and allow us another \$14,000.00. Mr. Lubecky stated that you are only allowed to carryover 25% as a rule of prior allocation. Judge Grendell asked for the Board's support on the grant and application, noting that this grant is state taxpayers money that has been sent to Columbus, and instead of giving the county our share back, the state is trying to keep more of our money to use for other programs. It was expressed that eventually this program will no longer be giving these funds to the counties to house these juveniles. There was a brief discussion about the locations of the DYS facilities and that once the county sends a juvenile to DYS they choose the facility based on the age, level of charges, etc. Mr. Jemison stated that the Board has always supported this application and program. Judge Grendell noted that these funds go to help the Probation Department continue to operate.*

DEPARTMENT OF WATER RESOURCES – U.S. DEPARTMENT OF AGRICULTURE (USDA)  
FORMS – CLOSING REQUIREMENTS – THOMPSON TOWNSHIP SEWER PROJECT

*Mr. Bowen stated that these are closing documents that are required for the grant closing that was originally started in 2008.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and authorize the President of the Board to execute U.S. Department of Agriculture (USDA) forms AD-3030, AD-3031 and the Certified List of Governing Body pertaining to the USDA's closing instructions requirements for the Thompson Township Sewer project.*

*Mr. Spidalieri inquired about public hearings or meetings that have been held regarding this project. Mr. Spidalieri stated that he had been contacted by the Wilsons of Thompson with concern about the plant location and where the discharge will be going. Mr. Bowen explained that the process for this project was started about five years ago and that multiple meetings have been held and that there will be additional ones to come. It was discussed that the original locations were not approved by the EPA who had wanted to send effluent via a force main to the Grand River that would have added an additional million dollars to the cost of the project that the residents could not afford. The EPA re-analyzed the original areas and came up with the Sidley property, the other location chosen is now wetlands and cannot be used. There was discussion about the systems that are failing currently and effluent being discharged; once this project is complete the discharge will be cleaner than the stream currently flowing. Mr. Bowen noted that the Township sent out notices and Water Resources sends letters to all those residents that are affected and notified of the meeting. It was noted that Mr. Bowen should contact the Wilson's to talk to them about their concern and discuss an additional location that might be another option for a location of the plant, reducing pipeline, and not be as obtrusive. It was noted that the area in Thompson being discussed to be sewered is mainly rock and has no filtration for the systems and is not good.*

DEPARTMENT OF WATER RESOURCES – AUTHORIZATION FOR REPRESENTATION /  
RELEASE OF INFORMATION AND DECLARATION OF ENTRY OF APPEARANCE –  
THOMPSON TOWNSHIP SEWER PROJECT

*Mr. Bowen noted that this was part of the appeal, noting that since it was filed by the Board and that the Commissioners have to authorize Mr. Bowen to submit the appeal.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and authorize the President of the Board to execute the Authorization for Representation / Release of Information and Declaration of Entry of Appearance form for the Thompson Township Sewer project.*

**Our family loves to visit Geauga County!** There are so many great specials events that go on, we watch the tourism website so we don't miss anything. We try to visit for **Maple Sugaring** season and like to bring the kids out to the **Maple Festival** every year. Our youngest was very excited to get to meet Maple Max last year at the Festival. We also visit **Pattersons Fruit Farm** in the Fall and take home bags of goodies! Just getting away to the country for the day is wonderful and we are so lucky to live so close. Looking forward to the Summer and the **Farm Markets** opening!

I take One Tank Trips every month of the year and there are always a few that stand out in my memory. This past year it was a story we did on the Cleveland Soaring Society at the Middlefield Airport. It was a warm evening and I got to ride in a Schweizer SGS 23-2 Sailplane with club official, Dave Tiber. It was a silent, majestic ride over the Middlefield countryside in a non-powered aircraft. For a moment I knew how birds must feel. The Soaring Society gives rides for a fee each Thursday, Saturday and Sunday at the airport when the weather permits.

Recent Headlines from Ohio Travel Association

**Roger Dow, president and CEO of the U.S. Travel Association**

- “Today, travel is our nation's No. 1 service export and is growing fast
- In 2012, direct travel spending in the United States totaled \$855 billion
- Dow also told the committee that the tourism industry has been faster than many other sectors of the economy to rebound from the recession.
- “We’ve been a very resilient group – restoring 85 percent of jobs lost in the downturn versus the rest of the economy at 69 percent,” he said.

- \*25 Participating Tour Stops
- \*Over 500 Registered Participants
- \*Over 300 Validated Maps at the Finale
- \*Participants from 12 Counties (and 4 people from Missouri)
- \*A prosperous day for Geauga County businesses.....

*An email was sent to businesses to see how they did and what happened during the tour...  
Here are comments from two of those participants:*

Hello Lynda,

I wanted to let you know about the SDIYT. I have been a traveling salesperson for the last twenty years and decided to get off the road last September when I opened Healthy Pursuit Wellness Center. In all my travels **I have never seen or heard of such an event that had so much impact on my business** or any other business. Thank you Lynda and Pegi for doing so much for Geauga County and us small businesses.

Best Regards  
Allan

*Participation in the annual Geauga Drive-it-Yourself Tour **far exceeded all my expectations.** As a new business owner I anticipated the promotional value of the event, but I was pleasantly surprised in the large number of Geauga residents coming out to shop and support the local economy. Not only did this event bring **records sales to our store**, customers left saying “I’ll be back!”*

I work at Hiram College and just happened to stop at the post office and saw the Geauga County freebie paper so I thought it would be interesting reading during my lunch break. **I saw your ad, emailed my daughter from Slippery Rock, Pennsylvania to invite her to your tour as a mother-daughter day out.** She accepted and it was such a memorable time! She tells all of her friends that she wishes they had something like this in her area! We will definitely be back. **What a wonderful way to represent your county. We loved every minute of it and it brought us closer together. One for the memory books!**

**Debbie L.

**My family was in town for a family medical emergency. My mother was preparing for open heart surgery so it had been a very stressful week.....** We had so much fun that entire day! We only made it to 10 shops but tried to spend a little time and money at each stop. We made to the after party which was very relaxing and I visited with several people I didn't know but had run into several times through out the day. I missed the grand prize by 1 number which was ok **we still just really needed a fun relaxing day.** I'm now back home in mo and enjoying candy, fudge and cheese even though the cheese house wasn't on the tour oh yeah and maple syrup. **I brought all the info home with me to take to our local chamber office. I plan on sitting down with our tourism director and tell her all about it in hopes we can do the same thing.** Sorry for being so windy but it was really was a fun day thanks for a great time!

**What's on the horizon for 2014.....?**

\*An increase in the size of the Visitor Guide

*Ms. Nemeth added that they were hovering around 180 members, which is a record number of not only members, but advertisers.*

\*With a record number of members and advertisers we need to expand in 2014!

\*To investigate the cost of a county wide mobile app for Tourism similar to the one Geauga Historical Society has in place

*Ms. Nemeth thanked the Board for their continued support and that they hope they can continue to support Geauga County.*

***I hear and I forget. I see and I remember. I do and I understand.***
