**OFFICE OF COMMUNITY AND ECONOMIC DEVELOPMENT – OHIO COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM STATUS REPORT – GRANT #B-F-12-1AZ-1**

*Program Coordinator Kelly Belconis explained that this was a quarterly status report for the B-F-12 grant, this report is required and must balance between the department's accounting, the Auditor's office and the State of Ohio. Ms. Belconis stated that the report doesn't show much activity as the projects approved under this are just starting to get moving.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and authorize the Vice President of the Board to execute the Ohio Community Development Block Grant Program Status Report, Grant #B-F-12-1AZ-1 for the period September 1, 2012 through March 22, 2013.*

*Commissioner Spidalieri inquired if this was in regards to accepting grant funds. Ms. Belconis stated that this report was for grant funds that were previously awarded and are being used this year for the projects.*

**OFFICE OF COMMUNITY AND ECONOMIC DEVELOPMENT – THREE-PARTY CONTRACT – AUBURN BAINBRIDGE EXCAVATING AND ELENi COSTANTINI – INSTALL SEPTIC SYSTEM AT 15150 BURTON WINDSOR ROAD**

*Program Administrator Joni Stusek explained that this was the "dreaded" EPA grant, adding that the county wanted to complete the projects that were in process, but the EPA wants all the funds allocated to be used. Ms. Stusek stated that this is one of the two remaining, and is unsure if the last one will be approved. Ms. Stusek hopes that if it not approved that this will be the last, adding that it is not in writing from the EPA but will let the Board know what they decide.*

**OFFICE OF COMMUNITY AND ECONOMIC DEVELOPMENT – OHIO WATER POLLUTION CONTROL LOAN FUND HOME SEWAGE TREATMENT SYSTEM PROGRAM IMPROVEMENTS PRINCIPAL FORGIVENESS PAYMENT REQUEST FORM #7**

*Ms. Stusek explained this was the payment request for the installation at 12610 Main Market, Jezewski. Ms. Stusek explained that they were one of two clients under the EPA that had been ordered out of their home, due to lack of compliance with the Health Departments requirements. Ms. Stusek stated that they were ordered to abandon their home but worked with the Prosecutor's office and Judge Burt for a request for additional time, adding that it was granted because they had been approved for this grant. Commissioner Samide inquired about what happens to the house. Commissioner Spidalieri asked what the forgiveness payment request is, to which Ms. Stusek stated that the county put this system in, and to send the funds to pay the contractor. Ms. Stusek stated that the EPA named the program, so that the client's principal is being forgiven and there is zero interest. Discussion took place about not being able to place mortgages. Mr. Spidalieri asked who approved this grant. Ms. Stusek stated that it was the Commissioners but Mr. Young had been the contact on this initially. County Administrator David Lair stated that the theory was that people were losing their houses due to septic system failure and the EPA offered this program to low income people. Mr. Spidalieri stated that is why we don't need low income housing, if you cannot afford to live in Geauga County then you shouldn't live here. One more reason we should not have government subsidized housing and assistance, to give people free things, adding that as a participant and business owner I assist this by paying back to principal and interest every month; ultimately we're paying for this and not getting anything back. Mr. Lair added that this was part of the reason that continued participation in the EPA program was not accepted going forward. Ms. Samide stated that we have houses with septic systems that are not working and these affect the neighborhood, which was part of the reason they accepted this previously. Ms. Stusek stated that they would not allow us to place a mortgage or that there is not time length requirement for them to stay in the house or sell it. Ms. Stusek stated that the funds are a combination of Federal, Bond and State funds. Ms. Samide expressed that she understands what Mr. Spidalieri is saying, that she too pays taxes and also paid for everything with her business without any assistance or help, but there was a lot of pressure with septic systems.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and authorize the Vice President of the Board to execute the Ohio Water Pollution Control Loan Fund Home Sewage Treatment System Improvements Principal Forgiveness Payment Request Form #7 for the installation of a septic system at 12610 Main Market Road, Burton in the amount of \$10,795.00 and Change Order # 1 for the increase in scope work on the installation of a septic system at 8883 Fairmount Road, Novelty in the amount of \$125.00 for the total amount of the*

**COUNTY ENGINEERS' OFFICE – AWARD BID – LAKE ERIC CONSTRUCTION COMPANY – INSTALL / REPLACE GUARDRAIL ON VARIOUS COUNTY ROADS, YEAR 2013**

*Mr. Cattell stated that he was asking the Board to award the bid to Lake Erie Construction Company for the installation and replacement of guardrail on various county roads, bringing up to standards with type E installations and differences in elevations. Mr. Cattell stated that they had received a grant from County Engineers Association that is federal funds distributed through the CCAO, with 100% paid. Estimate was \$445,000.00 with the bid coming in at \$437,000.00.*

*Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to award the bid to Lake Erie Construction Company for the Installation/ Replacement of Guardrail on Various County Roads, Year 2013 in the amount of \$437,550.00 as they represented the lowest and best bid. The Bid Bond submitted shall be held to serve as the Performance Bond for this project.*

*Mr. Cattell explained the following three Unit Price Contracts for C.I.R. for the Auburn Road Bridge, Easton Leasing for the Music Street Bridge and AERO-MARK for pavement markings, that all represented lowest and best bids. Mr. Cattell stated that the two bridges are box culverts, giving them thirty days to do each installation but should only take about two weeks. Mr. Cattell stated that both bridges will have detours posted, notification in the paper and should be able to get them done while school is out. Mr. Cattell noted that every other year we stripe half the roads and then the following year do the rest. Mr. Cattell added that they are all good companies and have worked with them in the past.*

*Mr. Spidalieri stated that he had been contacted about why there is state sales tax on fuel oil, if there is taxes already in the fuel itself, why would they then add sales tax. A brief discussion took place regarding fuel oil, gasoline tax and the taxes that are included in the cost of the fuel and the addition of sales tax. Electric and natural gas does not have a sales tax on it, so if you are buying fuel oil to heat your home or propane the question was raised as to why is there an additional tax on it. Mr. Cattell suggested contacting the PUCO, Public Utilities Commission of Ohio, who would have the answer on that.*

COUNTY ENGINEER'S OFFICE – RESOLUTION TO ORDER THE IMPROVEMENT OF  
MESSENGER ROAD (CH 31, SECTIONS B AND C) AUBURN TOWNSHIP – EXECUTE  
SPECIFICATION BOOKLET – SET BID OPENING

*Mr. Cattell explained that these resolutions are to order the improvement of Messenger Road and also the Rehabilitation of the Newcomb Road bridge with the reconstruction of the short section, about quarter of a mile of Newcomb Road. Mr. Cattell noted that both of these projects do include funds from the Ohio Public Works Commission (OPWC). Mr. Cattell stated that Messenger Road project is the section between Stafford Road and State Route 44, noting that it is about two miles in length. Mr. Cattell briefly discussed the different sections of Messenger being on different rotations, and that there are OPWC funds that come in to cover the cost of the projects. Mr. Cattell stated that the resolutions also include the specification booklet covers and the set the bid opening dates.*
