The Geauga County Board of Commissioners met in session on May 24, 2011 at 10:00 a.m. in the Commissioners' Chambers located at 470 Center Street in Chardon, Ohio.

It is declared and determined that all formal actions of the Board of County Commissioners concerning and relating to the adoption of all resolutions that were adopted in this meeting, and that all deliberations of the Board of County Commissioners that resulted in such formal action were open to the public and were in compliance with all legal requirements, including section 121.22 of the Ohio Revised Code.

The President of the Board, Tracy A. Jemison opened the meeting at 10:04 a.m. by leading the Board and audience in reciting the Pledge of Allegiance.

Commissioner Jemison stated that last evening we lost a great friend, a great public servant and certainly a wonderful judge. In his opinion he always reminded him of Abe Lincoln, always doing the right things and always in stature. Last evening after hearing the news Mr. Jemison worried about the children of Geauga County because Judge Henry protected them in such a great fashion, if they needed help, he was there for them.

A moment of silence was held for reflection upon the life of Judge Charles "Chip" Henry.

Mr. Jemison stated that he knows how difficult this is not only on the family but also the staff, having gone through a similar situation himself, he stated that our hearts go out to you.

Commissioner Samide stated that Chip was like family to us.

Commissioner Young stated that Judge Henry was such an asset to the county and did such a wonderful job, just an outstanding individual. Mr. Young expressed sorrow for his wife and family.

Ms. Samide reflected on a recent CASA event that they had attended and quoted Judge Henry as saying, "I know it has been a long evening, but we have to thank all of these people". Ms. Samide said that all he cared about was the children, such a good guy.

COUNTY ENGINEER'S OFFICE – RESOLUTION TO PROCEED WITH THE VACATION PROCEEDINGS FOR THE UNBUILT PORTIONS OF ROADS IN KIWANIS LAKE SUBDIVISIONS #1 AND #2 IN NEWBURY TOWNSHIP

County Engineer R. L. Phillips explained that this resolution just authorizes the Engineer's Office to prepare the final plats and documentation for the actual vacation. Once those are completed, they will come back for the final resolution to take care of the portions of the roadways, sixteen segments. County Administrator David Lair stated that at the last Newbury Township Trustees meeting the Trustees acknowledged that they were all in favor of moving ahead with the vacation. Mr. Phillips stated that he was not in attendance at the Public Viewing, but at the Public Hearing that was held the only concerns seemed to be minor ones regarding the property that would be going to the residents and tax information. Mr. Phillips stated that they had been working on doing this for a long time and that it was a good idea to do them all at once.

Motion: by Commissioner Samide, seconded by Commissioner Young to approve and execute Resolution #11-083 to Proceed with the vacation proceedings for the Unbuilt Portions of Roads in Kiwanis Lake Subdivisions #1 and #2 in Newbury Township.
