**AIRPORT AUTHORITY – LEASE AGREEMENT – AIR METHODS CORPORATION, INCORPORATED**

*Manager Patty Fulop explained this was to renew the contract with MedEvac; the Airport Authority Board had been in discussions with them and hammered out a few details with the Prosecutor's office and are now ready to move forward. Commissioner Samide noted that the amount was for \$37,200.00 for the year and \$3,100.00 a month and inquired if the cost had increased. Ms. Fulop replied that it had increased, that there is a clause in the contract for the rent to increase based on the CPI Index or four percent (4%) so it has increased, and that clause is also in this current five year contract. Commissioner Jemison added that it is a good asset to have them, that their presence in the county is good and allows for much quicker of response for the residents. Ms. Fulop added that it is wonderful having them, that it has allowed them to keep up the airfield in better shape and the rent income has been a huge help.*

*Motion: by Commissioner Jemison, seconded by Commissioner Young to approve and execute the Lease Agreement between the Geauga County Airport Authority and Air Methods Corporation, Incorporated for hangar space and office building unit to be used as office and living space, and storage space for equipment and tools for a five year period beginning May 7, 2012 through April 30, 2017 in the amount of \$37,200.00 per year (\$3,100.00 per month).*
