

Commissioners' Journal
December 11, 2008

The Geauga County Board of Commissioners met in session on December 11, 2008 at 10:00 a.m. in the Commissioners' Chambers located at 470 Center Street in Chardon, Ohio.

It is declared and determined that all formal actions of the Board of County Commissioners concerning and relating to the adoption of all resolutions that were adopted in this meeting, and that all deliberations of the Board of County Commissioners that resulted in such formal action were open to the public and were in compliance with all legal requirements, including section 121.22 of the Ohio Revised Code.

The President of the Board, Craig S. Albert opened the meeting at 10:07 a.m. by leading the Board and audience in reciting the Pledge of Allegiance.

APPROVE FINANCIALS

Budget Officer Diane Arp reported the financials as including two Revenue Certifications, one for Water Resources and the other for the Sheriff's Office; the supplementals include a de-appropriation for the Airport for the pass through grant funds that were not received and the TAP Bicentennial fund is getting appropriations in place to return \$20,000.00 to the General Fund; the appropriation transfers are covering shortages in various payroll accounts for the last pay of this year; and cash transfers include the Bicentennial \$20,000.00 seed money being returned to the General Fund.

Ms. Arp explained the shortages as issues with PERS, medicare and the insurance waiver payment match that were not calculated in the budget. Commissioner Young inquired if money had to be given to cover the shortages. Ms. Arp replied that a few departments (within the general fund) were given funds for the shortage but most had the money in their accounts.

Motion: by Commissioner Samide, seconded by Commissioner Young to approve and execute Resolution 08-171 itemizing the financials for the meeting of December 11, 2008.

PLANNING COMMISSION – GROUND WATER NETWORK REVIEW

Commissioner Albert was absent from session briefly at this point.

Director Dave Dietrich was present to discuss the review of the revised county ground water network water quality proposal and agreement. Mr. Dietrich reported that Martha Jagucki came before the board to discuss a water quality proposal to which the Board suggested some additions, specifically to include testing wells for methane and pesticides. This resulted in an adjustment to the cost estimate for the agreement by \$10,000.00. This is a two year undertaking beginning in 2009.

Commissioner Albert returned to session.

Sixteen wells will be selected and tested for water quality in different locations, rock formations and well depths for good representative samples. This testing has been conducted about every ten years. The cost to the county in 2009 will be \$46,200.00 with USGS picking up the balance of \$30,800.00, in 2010 it will be \$26,845.00 with USGS picking up the balance of \$17,895.00. Mr. Dietrich reported the methane testing will be a great benchmark for future testing. Water quality is tested about every ten years and quantity testing in on-going. Mr. Dietrich reported the agreement will be coming in the near future.

Motion: by Commissioner Samide, seconded by Commissioner Young to discuss the review of the revised county ground water network water quality proposal and agreement.
