*Director Sally Bell explained that she had made a mistake and not sent the advertisement to the newspaper so it was never published. Ms. Bell asked the Board to rescind that motion and grant permission to advertise again for bids for the Home maker / Personal Care Service. Ms. Bell noted that this causes them to be on a tight schedule with getting the contracts completed, that she didn't want the clients currently receiving services to be without them.*

*Ms. Bell explained that when Mr. Tomsick left the department it left two holes, one for his position as Supervisor at Chagrin Falls senior center and one as Supervisor over all of the senior centers. *that except for the new employee just hired the least experienced person on her staff has had eight years of experience. Ms. Bell feels that with her staff they would be able to teach Mr. Lelko about programming for seniors and get him brought up to speed. Ms. Bell stated that she was excited about bringing the Board such a qualified candidate for this position. Mr. Jemison inquired about how many hours a day or week Mr. Lelko would be working. Ms. Bell stated that it will be flexible but not to exceed twenty-five (25) hours a week. **DEPARTMENT ON AGING – 2012 SENIOR FARM MARKET AGREEMENT**

*Ms. Bell explained to the Board about the Geauga County farm market and the Federal Farm Market programs. Ms. Bell stated that the federal farm market contract had been increased by four vouchers this year, due to the successful usage by the consumers. Ms. Bell stated that the program saw cuts this year, so to receive an increase was amazing. Mr. Jemison inquired if the federal program was based on means. Ms. Bell stated that they use a database that looks at nutritional risk and income. A letter is then sent to the clients that fall in this category and let them know that they qualify to receive the \$50.00 in voucher coupons. Ms. Bell explained that if any are left a letter is sent to those with low income; after that if any vouchers are left a letter is sent to all Geauga County residents age 60 and over that are nutritionally at risk. Commissioner Samide inquired how that information is received. Ms. Bell stated that the information is given to them through self-disclosure from the client. Ms. Bell noted that this program has a limit of three years that if in that time you have not changed your risk you no longer qualify for the program. Ms. Bell added that the federal program has no administration funds, that all the money is in the voucher coupons. The County program which includes a component for home bound seniors through home delivered meals costs about \$5,000.00 a year to do.*

**COMMON PLEAS COURT / INTENSIVE SUPERVISION PROBATION – OHIO DEPARTMENT OF REHABILITATION AND CORRECTION SUBSIDY GRANT AGREEMENT – INTENSIVE SUPERVISION PROBATION, PRE-TRIAL RELEASE SUPERVISION, AND PRE-SENTENCE INVESTIGATION**

*Director Susan Doudican explained that every year the grants have to be approved by the Commissioners, this includes three grants for Intensive Supervision Probation, Pre-Trial Release Supervision, and added last year was the Pre-Sentence Investigation report writing. Ms. Doudican stated that there are no matching funds, that all the funds are covered by the State. Ms. Doudican noted that the State gives the funds to the County Commissioners for this program but it's administered by the Courts, but micro-managed by the State. Ms. Doudican stated that they have received some increases due to unfunded mandates by the State, and were able to have them agree to the increases, which have allowed them to hire a Part-Time Supervision Officer. Ms. Doudican stated that Tom McCaffrey who used to be a Sheriff's Deputy has been hired as a Supervision Officer. Mr. McCaffrey has been a huge relief with increased requirements from the State and additional paperwork. Assistant Sandy Gilbo is now the Pre-Sentence Investigation writer; this used to be done by the State. The state eliminated it, gave it to the county and gave the county funds to cover the position. Ms. Gilbo stated that the program is guaranteed for two years and then after that the county may have to assist with funding. Ms. Doudican explained that right now the State has been generous, but they anticipate that will not continue. Ms. Gilbo feels that the State is trying to keep the judges and the courts happy.*

*Motion: by Commissioner Jemison, seconded by Commissioner Young to approve and execute the Ohio Department of Rehabilitation and Correction Subsidy Grant Agreement for Community-Based Corrections Programs 408 Non-Residential Misdemeanant for three (3) separate grants in the amount of \$111,295.00*

*Board of County Commissioners, Geauga County, Ohio*

*Resolution: 12-101*  
*Date: June 5, 2012*

**RESOLUTION RECOGNIZING JUNE 15, 2012 AS ELDER ABUSE AWARENESS DAY**

*WHEREAS, Geauga County seniors are valued members of our community and adults age 60 or older as the fastest growing population in Geauga County, having grown thirty-eight percent (38%) in the past decade; and*

*WHEREAS, As the population of older adults increases there is a heightened concern for the tragedy of elder abuse which is inflicted on vulnerable seniors of all socio-economic classes, races and genders; and*

*WHEREAS, It is estimated that approximately one in five incidents of maltreatment of adults age 60 or over is never reported; and*

*WHEREAS, One hundred and twenty-nine (129) reports of elder abuse or neglect were received by the Adult Protective Services unit of Geauga County Job and Family Services in 2011; and*

*WHEREAS, Job and Family Services will continue to work with the Department on Aging, Geauga Medical Center, the Geauga County Board of Mental Health and Recovery Services, other local advocates and professionals and the citizenry at large to increase awareness and prevent and respond to elder abuse and neglect; and*

*population. Ms. Schultz stated that Adult Protective Services have done an excellent job over the last couple of years really enhancing the services provided to the community. Ms. Schultz stated that a lot of that was done with the assistance of Director Sally Bell and the staff at the Department on Aging. As stated in the Resolution, this is a growing population, however one of the great things that Geauga County has done is to go above and beyond what the State mandates be done. Ms. Schultz noted that they are mandated by the State to go out and investigate abuse, neglect and exploitation cases, but the majority of what they do is to work with supportive services. An example of this is if a family in need of help does not meet the criteria for an investigation, we will still make sure that the family of those individuals are connected to services to ensure safety and to prevent any abuse or neglect from happening. Ms. Schultz stated that the staff does a great job with the seniors in Geauga County. Ms. Samide expressed her appreciation for all that they do to protect those that can't protect themselves and really are victims, that it means a lot to them. Mr. Jemison inquired if the staff also worked with the families to make sure that they were also of the understanding that services are available to help their loved one, so that it's not as stressful. Ms. Schultz stated that a lot of the time it is working with the family so they can identify supports that the individual has, that they talk with family and friends to make sure as a whole the person is being cared for. Ms. Bell added that she wanted to personally thank the Commissioners for their support of the safety net in Geauga County for senior citizens, and for providing accolades for the existing staff of Adult Protective Services. Ms. Bell stated that for many years there was concern over whether the county was able to provide all the support necessary; about three or four years ago those concerns were erased by the dedication of Executive Director Tim Taylor, Ms. Schultz, Ms. Dwyer, Mr. Iacofano, and Ms. Morse. That extra step that our Adult Protective Team takes to ensure that not just the client but those people that love that client are informed is above and beyond the State mandate and we in Geauga County can be very proud of our workers.*

**COMMISSIONERS' OFFICE – ADVERTISE PUBLIC HEARING**

Mr. Cattell explained that the Vacation for West Street was initiated by Burton Township. West Street is located across from Rapids Road on State Route 87 (Kinsman Road). Burton Village vacated their portion of this road several years ago. Mr. Cattell noted that Burton Township has never received any road money from this road, and once vacated will revert back to the property owners. Currently West Street is a part of Preston's parking lot and has cars parked on it, but legally it is still a road. This is to advertise for a Public Hearing to hear any objections.
