MAINTENANCE DEPARTMENT – FIRST ADDENDUMS TO SNOWPLOWING AND SALTING OF COUNTY OWNED SITE GROUP #1 – 4, CHARDON SQUARE, 24 HOUR SERVICE AREA, 470 CENTER STREET AND SAFETY CENTER

Director Glen Vernick explained that this was the first addendum to the snowplowing and salting contracts to correct the date, the contract is for six months and should go through April 30, 2012; when the contracts were signed the date read April 1, 2012. Brief discussion occurred regarding the contract including a refund based on the amount of snow received or if the contract was what the amount is written for. Mr. Vernick explained that they are written for the amounts, so that you are better off going with either a two or three year contract or by the plow than a one year, so they even out over the course of the contract.

Motion: by Commissioner Jemison, seconded by Commissioner Young to approve and execute the First Addendum to Snowplowing and Salting of the County Owned Site Group #1 – Chardon Square Agreement to modify the dates during which the Contractor shall provide snowplowing, salting and other services to include November 1, 2011 through April 30, 2012 and November 1, 2012 through April 30, 2013.
