COMMISSIONERS' OFFICE – MEDIA PRESS RELEASE NACO - COUNTY PRESCRIPTION DRUG DISCOUNT CARD PROGRAM

Special Projects Coordinator Bernadette Gliha explained this is to introduce the interest in the county participating in this program. There is no cost to the county or the residents, it is a program offered with NACO membership. The actual launch of the program is October 1, 2009 at which time the free NACO CVS/Caremark prescription drug discount cards will be available to all residents. The cards may be used by all residents regardless of age, income or existing health coverage. There is no enrollment form, no membership fee and no restrictions or limits on frequency of use. Ms. Gliha added that if your animal is taking a prescription of human consumption that would be covered as well. The cards may be used any time their prescriptions are not covered by insurance. A flyer will be available at the fair in the Commissioners' building informing the residents of the new upcoming program. The card can offer a savings of approximately 20% off retail pricing of prescription drugs. Residents can log onto the NACO website and print off their own prescription drug discount card or go to the library and print off a card. This information will be on the county website as well.
