*Commissioner Albert asked Mr. Phillips what he knew about the "Obama dollars" to be available next year. Mr. Phillips reported that he talked to LaTourette's office and every indication is, at this point, that it will be a direct pass-through to the states and no funds to the locals. In Ohio there is no time to spend these funds in the time frame that the President- elect wants so it will have to pass through local agencies like NOACA and county engineers.*

**TRANSIT DEPARTMENT – RURAL TRANSIT PROGRAM CY 2009 OPERATING GRANT CONTRACT**

*Director Kristina Reider stated she “aimed high” for this grant and came out shy only about \$15,000.00 and they are pleased. There is no capital in this grant, due to a working project with NOACA (swapping out fuel money) as ODOT took the capital grant for next year to use that money to swap out for CMAC money. They are getting busses next year but it will be paid out of CMAC money as opposed to ODOT capital money. Ms. Reider explained they were not selected for the Portage Area Regional Transit Authority (PARTA) and Geauga County Transit OTTO TMCC Project they have been working on. The project is receiving \$180,000.00 from ODOT towards the project and FTA will have about \$100,000.00 to offer to each project that was not selected. Mrs. Reider added they are re-grouping and see what they can do with this amount of money. The software vendor is still committed to the project as they stand to gain a lot of money from this project. They are now looking at the project in a different way. The project is not dead.*

*Motion: by Commissioner Samide, seconded by Commissioner Young to approve and authorize the President of the Board to execute the Ohio Department of Transportation Rural Transit Program CY 2009 Grant Contract between the Geauga County Board of Commissioners and the State of Ohio Department of Transportation for Operating Grant funds in the amount of \$817,291.00 (Federal funds of \$674,826.00 and State funds of \$142,465.00) for the period January 1, 2009 through December 31, 2009*

**DEPARTMENT OF EMERGENCY SERVICES – 2008 HOMELAND SECURITY PROGRAM GRANT APPLICATION**

*Present for the discussion was Sheriff's Office Chief Deputy Scott Hildenbrand and DES Deputy Director –Preparedness Ken Folsom. Mr. Folsom stated that last year's grant was for \$101,000.00. Twenty-five percent has to be used for planning this year. The Geauga County Terrorism Task Force approved three planning projects: purchase of Incident Command Preplanning Software for each fire department in the county -\$11,980.00, hiring a consultant or contractor to review and/or write Emergency Operation Plans (EOP) for each jurisdiction in the county - \$10,000.00, and purchase public emergency preparedness educational materials - \$2,495.23. The equipment projects selected were: purchase of 800 MHz radios for fire and police departments for a total of 23 radios - \$69,000.00, and purchase of “special traffic vests” to be used for those agencies working on federally funded highways for police, fire, local townships/villages/city departments including water, highway, sewer, etc. - \$4,475.67*

*Motion: by Commissioner Samide, seconded by Commissioner Young to approve the submission of the Ohio Emergency Management Agency 2008 State Homeland Security Program (SHSP) Grant Application in the amount of \$97,900.90 (with no local match) and to further authorize the Department of Emergency Services Director to execute the appropriate application forms.*

**RESOLUTION HONORING CRAIG S. ALBERT FOR DEDICATED PUBLIC SERVICE**

*WHEREAS, Craig Albert, through hard work and relentless campaigning became County Prosecutor in 1981. After serving the citizens of Geauga County with distinction for seven years as County Prosecutor, Craig Albert sought to bring change and cost-effective justice to the position of Judge of Chardon Municipal Court, winning that office in 1987 and taking office in January of 1988. Serving as Municipal Court Judge for 16 years, Craig Albert operated his court in a fair, firm, economical (and occasionally controversial) manner, dispensing justice not merely to uphold the law and protect the citizens of this county, but also to help those who had broken the law become productive members of the community; and*

*WHEREAS, retiring from the position of Municipal Court Judge in 2003, Craig Albert set his sights upon the executive branch of County Government, pledging to eliminate waste and usher in a new era of cooperation between elected officials, county employees, and the citizens depending on county government; and*

*WHEREAS, upon taking office as Geauga County Commissioner in January of 2005, Craig S. Albert immediately began working with his fellow Commissioners, Mary Samide and Bill Young to bring about positive change. Throughout the four years that have passed since Craig Albert’s oath of office as County Commissioner, he has always sought to do the right thing, sometimes diplomatically, and sometimes...not so much; and*

*WHEREAS, Craig Albert’s hand has touched and changed for the better of Geauga County in numerous ways, including the location of MedEvac at Geauga Airport, promotion of economic development throughout the county, and through the continual questioning, highlighting, and elimination of government waste; and*

*WHEREAS, while all would agree that Craig Albert’s methods are out of the ordinary, most would also agree that his time as County Commissioner has, in a similar manner to all the other roles he has held in his adopted home county, left us a far better place for his having made the choice to come here so many years ago; and*

*NOW, THEREFORE BE IT RESOLVED, that the Board of County Commissioners hereby honors Craig S. Albert for his dedicated service to the residents of Geauga County, and hereby extends to him the status of honorary Geauga County Citizen for Life, as long as he pays his taxes.*

*BE IT FURTHER RESOLVED, that this Resolution become part of the permanent record of the Board of Commissioners of Geauga County, Ohio.*
