that Mr. Vernick had waited till the end of the contract and make all adjustments at one time. Mr. Vernick stated that the extra could have pulled from other locations to cover it, but wanted to do it all at once.

Motion: by Commissioner Samide, seconded by Commissioner Young to approve and execute Change Order #1 increasing the contract with Lillibridge Landscaping for additional snowplowing and salting of the 24 hour service areas in the amount of \$1,600.79.

MAINTENANCE DEPARTMENT – CONTRACT AGREEMENT – MT BUSINESS COPIER TECHNOLOGIES, INCORPORATED

Mr. Vernick explained the contract as starting three years ago when the copier was purchased, along with one for Building and one for the Commissioners' office. This contract has been re-written by going back and forth with MT Business and getting the price lowered; those price reductions will be seen with other contracts when they come due. The updated cost per copy is \$0.008 for Black and White and \$0.055 for Color. County Administrator David Lair questioned Mr. Vernick on the amount actually spent over the last three year period. Mr. Vernick explained that the contract amount is not to exceed that \$23,000.00. Last year for the copier the department used about \$3,500.00, to date this year the department has not had any major contracts that involve making a lot of copies and the total so far is around \$600.00 in use. Mr. Vernick stated that this was to let the contractor know that the total cost cannot exceed the contracted price. Mr. Lair noted that the toner and maintenance is included in the contract and the machines are often used for scanning which is not an additional cost.

Motion: by Commissioner Samide, seconded by Commissioner Young to approve, initial changes and execute a maintenance Contract Agreement with MT Business Technologies, Incorporated to perform maintenance and service to copier machine (Model #LD425Cspf, ID#C6758) for the period of three years, May 17, 2011 through May 16, 2014, in an amount not to exceed \$23,000.00.

COMMISSIONERS' OFFICE – AMICUS BRIEF - OHIO SUPREME COURT FORM – FIFTH DISTRICT COURT OF APPEALS

Mr. Lair explained that the County Commissioners Association of Ohio (CCAO) sent a letter to the Board asking them to consider participating in this legal action that is before the Ohio Supreme Court. This is about the Knox County Commissioners versus the Knox County Engineer. This is a long standing issue that the Commissioners feel that the County Engineer should be able to use Motor Vehicle License Tax and Gas Tax money to pay for their property casualty insurance as a cost of doing business. Operating trucks going up and down the road has insurance exposure. The Commissioners feel that is an appropriate use of special revenue funds to help cover the cost of insurance and the Engineers Association would rather see the counties' general fund cover that. This action has made its way to the Supreme Court. These actions basically just say that the county is joining in saying that we agree with the action and that we want to be supportive. Mr. Lair stated that there is no legal liability to the county, and that he had checked with legal counsel and that it simply states the county support in an official

manor on this action. Mr. Jemison stated that there is no legal or monetary requirement on behalf of the county.

Motion: by Commissioner Samide, seconded by Commissioner Young to approve and authorize the President of the Board to execute the authority to participate as an amicus brief before the Ohio Supreme Court Form for the Fifth District Court of Appeals Case No. 10CA000018 Knox County Commissioners v. Knox County Engineer.
