**COUNTY ENGINEER'S OFFICE – SNOW PLOWING AGREEMENT 2010-2011 – CHESTER TOWNSHIP TRUSTEES**

*County Engineer, R. L. Phillips explained that this agreement is something that has been being done for over fifteen years with Bainbridge and Chester townships, and that it has worked well. Mr. Phillips stated that this twelve miles is done as a route and gets plowed first. Bainbridge does it as part of a run and it gets done as they go. Both townships get his section done faster then we can get there, it's far enough away and has enough traffic that it's good for them to be there and do it early. Mr. Phillips expressed that it was a good thing for the county and they appreciate the cooperation and that they were glad to pay them to get it done.*

*Motion: by Commissioner Young, seconded by Commissioner Jemison to approve and execute a Snow Plowing Agreement for the 2010-2011 winter season between the Chester Township Trustees, the Geauga County Engineer and the Geauga County Board of Commissioners.*

**COUNTY ENGINEER'S OFFICE – RESOLUTION TO RECONSTRUCT HEMLOCK POINT ROAD BRIDGE – RUSSELL TOWNSHIP**

*Mr. Phillips stated that the county had made an arrangement with Russell Township to swap the maintenance responsibilities of Music Street and Hemlock Point Road. The County takes care of Hemlock Point and intend to officially take it over and give them Music Street on the map. Mr. Phillips stated that there were working on looking at all of the roads and getting the information done by January or February. Mr. Phillips explained that this was the first step by getting the bridge done and taken care of and then follow up with a project later to put some*

*shoulders on the road. Mr. Phillips stated that this road is on the Federal system, that the goal for the last twenty years has been to use county funds or OPWC funds to widen the road to meet criteria for Federal funding to cover the cost of resurfacing. The overall plan is to redo the bridge by widening it out and getting rid of the guardrail. This bridge is located on the curve south of 87 as you start to go upgrade.*

*Motion: by Commissioner Young, seconded by Commissioner Jemison to approve and execute Resolution #10-228 to Reconstruct the Hemlock Point Road Bridge (Structure #155-1.12) in Russell Township.*

*Resolution: 10-228*  
*Date: December 21, 2010*

**RESOLUTION TO RECONSTRUCT THE HEMLOCK POINT ROAD BRIDGE,  
STRUCTURE #155-1.12 IN RUSSELL TOWNSHIP**

*WHEREAS, the Board of County Commissioners of Geauga County has determined that the public convenience and welfare require the reconstruction of the bridge over Hemlock Creek on Hemlock Point Road, and the grading, paving, widening, and draining of a portion of Hemlock Point Road in the immediate vicinity of the bridge in accordance with Section 5555.022 of the Ohio Revised Code.*

*NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Geauga County that public convenience and welfare require the replacement and reconstruction of the Hemlock Point Road Bridge, Structure #155-1.12 over Hemlock Creek in the Township of Russell, County of Geauga and State of Ohio by the removal of the existing bridge structure, installation of a new bridge structure at mile marker 1.12 and the grading, paving, widening, and draining of Hemlock Point Road in the immediate vicinity of the bridge as required.*

*BE IT FURTHER RESOLVED that the Geauga County Engineer is hereby directed to complete necessary surveys, plans, profiles, cross sections, estimates of cost and specifications as are required for the improvement and to transmit copies of the same to this board at the time such plans are completed.*

*BE IT FURTHER RESOLVED that real estate will not be assessed to cover the damages, costs and expenses of constructing this improvement and that the compensation, damages, costs and expenses of constructing said improvement shall be apportioned as follows:*

*The engineering and right of way costs shall be paid from local roadway improvement funding sources. The construction costs shall be paid from local roadway improvement funds and any federal aid or state grants that may be secured for the project.*

*BE IT FURTHER RESOLVED that if preliminary designs for the project show the project cannot be built within the current right of way of Hemlock Point Road, pursuant to Section 5555.09 of the Ohio Revised Code, the Geauga County Engineer is granted permission to negotiate with owners to secure the lands, right-of-way, easements or work agreements required for the improvement.*

*BE IT FURTHER RESOLVED that the County Clerk is hereby directed, upon the filing of the plans, specifications, estimates, etc., for the improvement by the County Engineer, to schedule a time at a regular meeting of the Board of Commissioners for the Board to review the copies of the surveys, plans, profiles, cross sections, estimates and specifications for the improvement.*

*BE IT FURTHER RESOLVED that the Clerk of the Board of County Commissioners of Geauga County is hereby instructed to transmit a certified copy of this resolution to the Russell Township Trustees and the Geauga County Engineer.*

COUNTY ENGINEER'S OFFICE – RESOLUTION TO RECONSTRUCT AUBURN ROAD BRIDGE – MUNSON TOWNSHIP

*Mr. Phillips explained that this bridge is a two section box culvert that was cast and placed at the intersection of Auburn and Sherman Roads. This culvert has been problematic for years and they intend to replace it with a single span box structure, making it long enough to remove the guardrail. Mr. Phillips stated that if they can make it long enough they can straighten out Sherman Road. Mr. Phillips explained that about ten years ago there was an agreement with Munson Township over the right of way; now they will have to have new discussions over the same right of way to make that change happen. Both sides would need to be in agreement, but the roads are out of the right of way. Mr. Phillips stated that this has been an issue regarding accidents over the years involving people either pulling out and others not sure if they have made the move to cross or if they pull out and try to turn left and are stopped in the road. Mr. Phillips stated that there was no guarantee that this bridge would be done this summer as they still don't have all the permits from the Army Corp of Engineers and EPA. Mr. Phillips explained that they did get the road resurfaced this year because they had the Federal funds to get it done knowing the bridge was needing to be redone, however if the bridge doesn't get finished until 2012 they knew the road couldn't wait that long to be taken care of. Mr. Phillips explained that it would be two joints and that the creek would not have to be moved as they would be going over the top.*

*Motion: by Commissioner Young, seconded by Commissioner Jemison to approve and execute Resolution #10-229 to Reconstruct the Auburn Road Bridge (Structure #4-13.06) in Munson Township.*
