DEPARTMENT OF JOB AND FAMILY SERVICES – CHILD SUPPORT ENFORCEMENT DIVISION AWARD PRESENTATION

*Director Tim Taylor and Assistant Director Paul Reiman of the Department of Job and Family Services / Child Support Enforcement Division conducted a presentation on "Best Performance Collections on Current Support for Federal Fiscal Year 2007" and the award received from the Ohio Office of Child Support. Mr. Taylor commented that the Child Support Division reflects a partnership and the employees take their obligations seriously and the department is fortunate in that regard. Mr. Taylor added that it may be easy to coast a little and not be assertive and aggressive but it is not the history of this group, they realize the importance to the families and year after year they improve their skills, improve collections and continue to crack the hard to crack cases. Mr. Reiman reported they have won in past years for highest collection rate for their size but this is the first time he can announce that Geauga County JFS is not only number one in their category but also number one in the entire State of Ohio. Their collection rate is 80.76% of all current support due. The credit for those numbers goes to the staff, to which Mr. Reiman introduced the following staff: Tracy Olszowy, Supervisor; Luray Siegel, Case Manager; Katherine Singer, Case Manager; Stephanie Istvanic, Case Manager; Katherine Wiles, Case Manager; Sandra Jackam, Case Manager; Sharon Fountain, Case Manager; Roxanne Keyser, Case Manager; Pat Shantz, Legal Specialist; Mary Wheeler, Legal Specialist; Colleen Farmer, Clerical Specialist. Mr. Reiman continued that for every dollar expended to collect child support they received \$14.69, which awarded them fifth place in the State of Ohio. This shows the efficiency of the staff. Mr. Reiman stated that the national average is a little over \$9.00 collected for every dollar expended for collection. This division spends 80% of their time working on 20% of their cases. The Board commended the department on their accomplishments to the division and the families in the county.*

COUNTY ENGINEER'S OFFICE – RONYAK PAVING CHANGE ORDER – BRAKEMAN ROAD RESURFACING PROJECT

*County Engineer Administrator Ron Geller stated that there is an escalator in the standard contract that has been in effect for two years. Last year some of the estimates were bid high and there were some deducts in contracts. Mr. Geller expects the change orders to continue to be this large due to the petroleum costs. Commissioner Samide asked if they will consider going to concrete. Mr. Geller replied it is not anticipated. It does have a longer life but the problem is the maintenance and the freezes and thaws in Northeast Ohio.*

**Commissioners' Journal**  
**August 26, 2008**

*Motion:* by Commissioner Samide, seconded by Commissioner Albert to approve and execute Change Order #1 and final increasing the contract with Ronyak Paving Incorporated for The Asphalt Resurfacing of Brakeman Road (CH 22) Project (Contract # RS-22A-08) in Hambden Township, for a total amount of \$61,141.98.

Ms. Fenselon reported the five transit systems in the NOACA region came together to discuss a fair and equitable way to distribute the Congestive Mitigation money that comes from the State to NOACA to disburse among the region. NOACA has a pot of that money not being used. ODOT has put pressure on the MPO's (Metropolitan Planning Organizations) in the State of Ohio to give some of the money back to the State to be redistributed back to the MPO's, in a different fund, to then be re-distributed to the transit systems to be used for fuel. Geauga Transit will receive \$186,000.00 to use for fuel.
