TRANSIT DEPARTMENT – STANDARD UNIFORM RENTAL SERVICE AGREEMENT - CINTAS

Director Kristina Reider explained that this was the third or fourth renewal with Cintas for their uniforms, noting that they had not seen any increase over the years. Ms. Reider stated that she had contacted other Transit authorities inquiring about what they had done, adding that the \$24,000.00 amount for the two years is a not to exceed amount, that the cost is about \$7-\$8,000.00 a year. Local resident David Workman inquired about whether bids or quotes had been obtained. Ms. Reider noted that originally this had been quoted out as it falls under the bid threshold, and not seeing any increases continued to use the same company. Commissioner Spidalieri added that in December this had first come before the Board and he requested it be tabled to be able to look at other options. Mr. Spidalieri stated that it was good to question, but that after looking at the other Transit authorities and options the difference was a nominal amount per employee, adding that it was less than \$1.00 per day for Full-time employees.

Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and authorize the President of the Board to execute the Standard Uniform Rental Service Agreement with Cintas for uniform service for a two year period in an amount not to exceed \$24,000.00.

resident Diane Jones inquired about the contract with Kenston. Ms. Reider explained that they have a contract with Kenston Local Schools for busing at a fully-allocated rate and that it does not impact the normal operations and service to the residents of Geauga County. Ms. Reider stated that it had been drawn up as temporary, but has recently been extended to go through March, noting that am and pm service had been added to cover current need and along with vacation and sick time that the additional part-time driver was needed. Ms. Reider noted that they can have ten (10) part-time drivers at all times but had been keeping that number at nine (9), this will bring them up to the ten.

Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to grant permission to advertise for the position of Part-time Driver (#2210-1). This position will remain posted until filled.

COMMISSIONERS' OFFICE / ADP BOARD – VISTA SOLUTIONS GROUP (VISTA SG) QUOTE AND AGREEMENT FOR SOFTWARE AND SERVICES

County Administrator David Lair explained that the Vista document imaging system had been acquired several years prior by the Geauga County courts for integration with their Courtview system. Former Court I.T. Systems Administrator Jim Walsh had informed the board last year that the terms of the existing licensing agreement with Vista SG would allow for deployment of the Vista imaging system throughout the county network, if the county paid for implementation costs and support for the expanded user base. This system will allow departments to either establish their own imaging databases for specific lookup of documents, or alternatively allow departments to scan images to searchable PDFs. Mr. Lair stated that this type of enterprise-wide document imaging system can cost organizations hundreds of thousands of dollars, and that the county is fortunate to be able to acquire this software for use by all departments on the network for a very nominal cost. Mr. Lair concluded that hardware needs to implement this system should be minimal, as most departments already have multi-function copier/printer/scanning devices that can scan images to a central server, so the only significant additional hardware that might be required would be additional disk space on the network attached storage in order to accommodate images and databases created by this system.

Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve and authorize the President of the Board to initial and execute the VISTA Solutions Group (Vista SG) Quote and Agreement for Software and Services for netDMS Document Imaging and Management in the amount of \$15,785.00 for Equipment and Licenses and \$7,190.00 for Support and Maintenance.

COMMISSIONERS' OFFICE – DECREASE PART-TIME HOURS – DALE WEDGE – DIRECTOR DEPARTMENT OF EMERGENCY SERVICES

Mr. Lair explained that due to changes coming in the federal benefits law, County agencies which have budgeted departmental benefits costs under the assumption that current part-time employees would stay part time will need to reduce the hours of part-time employees to under thirty (30) hours per week. This change is being caused by the provisions of the Affordable Care Act, which beginning in 2014 will base requirements for employees to be covered under employer-provided hospitalization on the average hours those employees worked in 2013; therefore, because of this "look back" provision, employees who are to remain part-time must have their scheduled hours reduced to below 30 hours per week for this year. Mr. Lair noted that Mr. Wedge was in agreement to the reduction of his hours to comply with this new requirement. Mr. Spidalieri and Commissioner Samide inquired about those employees that

retired and were rehired as this no longer being part of the savings of their return. Mr. Lair stated that under the PERS rules if they are eligible to receive benefits from a post-retirement employer then they are required to make those benefits their primary coverage, so it is necessary to reduce the hours to under thirty to keep those employees on the PERS benefits.

Motion: by Commissioner Spidalieri, seconded by Commissioner Samide to approve the decrease of part-time hours for Dale Wedge, Director of the Department of Emergency Services from sixty-five (65) hours per pay period to fifty-six (56) hours per pay period, to be effective February 3, 2013.
