COMMISSIONERS' OFFICE – RESOLUTION RECOGNIZING OCTOBER 2016 AS
DOMESTIC VIOLENCE AWARENESS MONTH

Sheriff Dan McClelland and Victims Advocate Tracy Jordan explained that information is power and that is her hope for the month of October for Domestic Violence Awareness month. Ms. Jordan stated that on average every day the Sheriff's office receives a call responding to a domestic violence situation, and in 2015 they responded to 344 calls, and they are still the deadliest type of call that a police officer can respond to. Ms. Jordan invited everyone to an event on Thursday, September 29th at the Geauga Lyric Theater Guild at 1:00 p.m. for a panel discussion regarding how to stop domestic violence and how everyone can help. Ms. Jordan noted that the Sheriff's Office, Municipal Court, Womensafe and the Attorney General's Office will be participating. Ms. Jordan stated that domestic violence affects all of us, and we each have a power to stop it, and encouraged everyone to join the efforts and stop the violence in our

Mr. Royer expressed that they felt that the community needed to recognize what keeps up safe around the clock, every day, including holidays. The power of one is powerful, noting that two years ago following the death of two New York City police officers, a ten year old girl from Texas, took her entire Christmas vacation time and wrote 1500 thank you notes and then went with her family to New York to deliver them. Ms. Royer was touched by this and asked what are we doing, thanking the Board for doing this and for all those in attendance for everything they do around the clock.

Commissioner Spidalieri stated that as a past officer himself, he cannot thank them enough for everything they have done, adding that it is a thankless job, and how warming it is for people them like for stepping up and personally thanked them. Ms. Royer stated that they were so proud of these first responders for everything they do, and thanked the Commissioners for backing them in this effort and that they would like to see it grow. Mr. Royer added that he would like to see the school system involved, about the importance of the power of appreciation, and get a different view of the people that protect us. Mr. Claypool asked that they would like to have all fire and police come up for a few pictures.

COMMISSIONERS' OFFICE – COUNTY EMPLOYEE BENEFIT CONSORTIUM OF OHIO (CEBCO) PARTICIPATION AGREEMENT

Human Resources Specialist Kathy Hostutler asked the Board to execute a new three year renewal agreement with CEBCO. Ms. Hostutler stated that the County has participated in the pool since 2008. Ms. Hostutler briefly explained that the County wanted to join CEBCO for a number of years and in 2008 finally had good enough claims experience to receive an affordable premium. When we joined CEBCO we had great claims experience and were able to help the other counties in the pool experiencing high claims costs. The last two years we have experienced high claims; so now we are reaping the benefit of the other counties' good experience. Participating in a healthcare pool has kept our premiums low. Ms. Hostutler stated that this year we have a 13.1% increase, noting last year it was a 13.2% and had the County not been in the pool the increase would have been a 19% increase.

Mr. Lair briefly explained that CEBCO includes a stop loss at \$125,000.00, noting that if you have a large claim, if it exceeds \$125,000.00 it no longer counts against the County experience. This year the County had several large claims that totaled around \$700,000.00 above that stop loss figure and had we been charged the full amount of these claims the increase would have been around 19%, the difference being the \$700,000.00 we didn't get charged for. Ms. Hostutler explained that we also have CobraServ (to track individuals who have left employment with the county and are entitled to maintain coverage at their own expense) which CEBCO automatically sends healthcare the information once an employee is terminated. Ms. Hostutler added that they do offer wellness services, and use a third party administrator to track. Ms. Hostutler stated that

one of the wellness activities that were offered to the Counties, would have been about \$5,000.00 had we decided to offer it ourselves. They do offer additional assistance including trainings, and legal services.

It was noted that the waiver amount cannot be no more than 25% of the cost of the premium and we are within that parameter. Mr. Lair explained that this is an incentive for those employees that can access coverage somewhere else. Ms. Hostutler noted that any employee on the plan in any way cannot receive the waiver.

Local resident Allen Segedy expressed his ongoing concern with the Department on Aging and the legal services that offered to seniors in the County. Mr. Claypool stated that he would need additional details and document the issues and he would be willing to look into it further, but no decision can be made today.
