PLANNING COMMISSION – RESOLUTION TO ESTABLISH AND SUPPORT A GEAUGA COUNTY COMPLETE COUNT COMMITTEE

Planning Director Linda Crombie asked the Board for support to approve a resolution to establish a Geauga County Complete Count Committee for the 2020 census. Ms. Crombie

Commissioners' Journal
December 10, 2019

explained that they had asked about 30 agencies to be a part of the committee and since there isn't a lot of time before the April 1, 2020 census day. The Commissioners have to formally establish the committee. It's not an in your face campaign but a gentle way to explain to people about filling out their questionnaire, as a way to get the word out, and to make sure the Amish community and Seniors are counted. Once the resolution is approved to establish the committee they will meet and form sub-committees to cover the specific areas of concern to be counted.

Motion: by Commissioner Dvorak, seconded by Commissioner Spidalieri to approve and execute Resolution #19-181 to Establish and Support a Geauga County Complete Count Committee for the 2020 Census.
