COUNTY ENGINEER'S OFFICE – REPORT ON PROPOSED VACATION OF THE EASEMENT UPON A PORTION OF WOODHILL DRIVE, MONTVILLE TOWNSHIP

Deputy Engineer Andrew Haupt read the following report:

Engineer's Report (ORC 5553.06) – Proposed Vacation of the Highway Easement Upon a Portion of Woodhill Drive (TR 731) in Montville Township, Geauga County, Ohio

Commissioners' Journal
July 6, 2017

Woodhill Drive, 60 feet wide, from Rock Creek Road (State Route 166) to its terminus, was "...approved and the lands and easements dedicated and granted herein are hereby accepted for public use, ..." December 22, 1978 by plat known as the Woodhill Subdivision No. 2, recorded in Volume 12, Pages 94, 95 and 96 of the Geauga County Recorder's plats of record.

The portion of the above referenced Woodhill Drive in Montville Township is a highway easement dedicated "...to public use..."

On September 16, 2014, the Montville Township Board of Trustees requested by resolution #2014-916, the Geauga County Board of Commissioners to vacate a portion of the highway easement of Woodhill Drive, from the limits of the existing temporary cul-de-sac located 1572.83 feet south along the centerline of Woodhill Drive from the Montville-Thompson Township Line, to its terminus located at a distance of 177.42 feet south along the centerline of said Woodhill Drive from the limits of the existing temporary cul-de-sac.

On November 12, 2014, the Montville Township Board of Trustees requested by resolution #2014-11-12, that the Geauga County Board of Commissioners rescind the Petition to the Geauga County Board of Commissioners seeking to vacate a portion of the highway easement of Woodhill Drive, from the above referenced limits.

On January 6, 2015, Montville Township Board of Trustees requested by resolution #10615, the county engineer to issue an advisory opinion regarding the consequences of placing Woodhill Drive, TR 731, on non-maintained status.

On May 19, 2015, the Montville Township Board of Trustees placed Woodhill Drive, TR 731, by resolution #15-05-19, on non-maintained status.

On June 9, 2017 the Montville Township Board of Trustees requested by resolution #6-6-2017 (I), the Geauga County Board of Commissioners vacate the easement upon a portion of Woodhill Drive, from the limits of the existing temporary cul-de-sac located 1572.83 feet south along the centerline of Woodhill drive from the Montville-Thompson Township Line, to its terminus located at a distance of 177.42 feet south along the centerline of said Woodhill Drive from the limits of the existing temporary cul-de-sac.

The highway easement portion of Woodhill Drive being vacated is 177.42 feet in length, along the centerline of said Woodhill Drive, has never been physically constructed and has never been used as a public highway, for a period of greater than 21 years, and under Section 5553.042, Revised Code, Montville Township has lost all rights in and to the same.

The portion of Woodhill Drive at issue is not used to calculate distributions of the auto registration distribution fund.

Upon vacation of the 177.42 feet long highway easement portion of Woodhill Subdivision No. 2, sublots 18 and 19, the highway easement is extinguished over the abutting sublots 18 and 19.

Those whose properties that share a common border with the vacated road are subject to any easements provided by statute, and such rights as other property owners may have in the road as a necessary means of access to their property.

The abutting property owners are identified as follows:

- 1. PPN# 20-025800: Salvatore J & Kristy Lardomita, 80 Hazel Drive, Northfield, Ohio 44067, who's property abuts the southerly terminus of the 177.42 feet long highway easement portion of Woodhill Drive; and*
- 2. PPN# 20-064257; Salvatore J & Kristy Lardomita, 80 Hazel Drive, Northfield, Ohio 44067, Woodhill Subdivision No. 2, Sublot #18, with a total area of 0.120 Acres under the existing 177.42 feet long highway easement portion of Woodhill Drive; and*
- 3. PPN# 20-064258; Raymond C. & Michelle Marie Sudnick 8545 Woodhill Dr., Chardon, OH 44024, Woodhill Subdivision No. 2, Sublot #19, with a total area of 0.127 Acres under the existing 177.42 feet long highway easement portion of Woodhill Drive*

Commissioners' Journal
July 6, 2017

All public utilities retain easement rights within the vacated right-of-way limits resulting from a road vacation per state law.

All abutting property owners were notified and notice of the hearing was published in accordance of Ohio law.

Based on the above facts, the Office of the Geauga County Engineer believes the vacation requested would be for the public convenience and necessity.

BOARD OF MENTAL HEALTH AND RECOVERY SERVICES – RESOLUTION TO LEVY A TAX AND REQUEST CERTIFICATION OF COUNTY AUDITOR OF AMOUNT

Executive Director Jim Adams presented some information to the Board on Mental Health and Recovery Services, that included background information and projects they are working on. Mr. Adams stated that the Board of Mental Health had approved a .5 mill renewal levy and requested the Board place it on the ballot. This levy generates about \$1.5 million dollars which makes up about 28% of the agency's budget. Mr. Adams stated that the agency serves over 12,000 residents annually through contract agencies and services. Mr. Adams mentioned a

Commissioners' Journal

meeting that was just held regarding a project to help integrate individuals leaving the jail that will assist them in getting back into the community to reduce recidivism rates. Mr. Adams stated that the Board received a grant to fund the crisis text line, noting that youth use texting much more than the phone, so this has proved to be a great tool and they are promoting it in every school in the county. Mr. Adams stated that five businesses have attended training to help reduce workers compensation claims and develop a policy for a drug free work place, along with assisting employees that need care.

Commissioner Claypool brought up a concern over performance measures and inquired what processes they have in place. Mr. Adams stated that every year the Board goes through an allocation process, that includes an RFP that includes the rules for working with the agency and that outcome measures are required to be included for the last six months of services when applicants submit their proposal. Mr. Adams stated you can look at National Standards for use after six months of treatment, however Lake Geauga Recovery Services can show their rates against the standard rates and usually their rates are double the standard. Discussion continued regarding results from different agencies, education to the public about the choices they make, and how we need to make changes.

Commissioner Spidalieri asked for clarification on the levy, that it is a renewal and not an increase. There was discussion on the agencies they contract with and the amounts they are funded per year. Mr. Claypool stated that he would like to see more information on performance measures but felt comfortable with moving forward. It was noted that the Mental Health Board members were in support of the renewal, adding that if you cut off 28% of your budget then you cut a lot of services being provided to residents. It was noted that this is the first step in the process of placing it on the ballot; this resolution requests the dollar amount to be collected; and that there will be an additional resolution that would then place it on the ballot.

Motion: by Commissioner Lennon, seconded by Commissioner Claypool to approve and execute Resolution #17-082 Declaring it Necessary to Levy a Tax in Excess of the Ten Mill Limitation and Requesting Certification of the County Auditor of the Dollar Amount Generated at the Request of the Geauga County Board of Mental Health and Recovery Services, as Authorized by O.R.C. 5705.03, .19, .191, .221, .25, and .26.

JOB AND FAMILY SERVICES – FAMILY FIRST COUNCIL MUTUAL FUNDING AGREEMENT

Executive Director Craig Swenson and Nancy Seelbach from Family First Council provided information about the funding agreement for the remainder of 2017. Mr. Spidalieri asked Ms. Seelbach for feedback about funding and programs in relation to levies. Ms. Seelbach stated that Mental Health is a main funding support for the Family First Council; they also work with Ravenwood and now with Lake Geauga Recovery Services as they are now working with opiate issues. Family First funds a lot of different things and more funding would always be appreciated. Ms. Seelbach added that the agencies that Mental Health works with are the same as Family First works with and performance measures are required because Mental Health also has to provide that information. Mr. Swenson added that the Family First budget is always looked at, because she has funding coming from a variety of sources and the amounts change so every dollar has to be looked at in order to provide the needed services. There was discussion regarding cuts that continue to happen from the State and Federal level that affect the local governments. Ms. Seelbach thanked the Board for their involvement and said it means a lot and makes people more accountable.
