The Geauga County Board of Commissioners met in session on July 12, 2022 at 9:30 a.m. in the Commissioners' Chambers located at 12611 Ravenwood Drive, Room B303 in Chardon, Ohio.

It is declared and determined that all formal actions of the Board of County Commissioners concerning and relating to the adoption of all resolutions that were adopted in this meeting, and that all deliberations of the Board of County Commissioners that resulted in such formal action were open to the public and were in compliance with all legal requirements, including section 121.22 of the Ohio Revised Code.

The President of the Board, James W. Dvorak opened the meeting at 9:39 a.m. by leading the Board and audience in reciting the Pledge of Allegiance.

**Commissioner Spidalieri was absent from today's meeting.*

*Commissioner Dvorak made the following statement and read a prayer:
Gauga County is where History meeting the Future*

*Years ago, to start a building project, the Builder would start with a Cornerstone.
Let's pause, with a prayer about Cornerstones: By Karen Barber*

*On this stone now laid with prayer
Let Thy Church rise, strong and Fair
Ever, Lord Thy name be known
Where we lay this Cornerstone*

*May Thy Spirit here to rest.
To the heart by sin oppressed,
And the seeds of truth be sown.
Where we lay this Cornerstone.*

*By Wise Master Builders squared.
Here by living stones prepared.
For the Temple near Thy throne,
Jesus Christ, our Cornerstone.*

Amen

After High School I followed my Dads foot steps and became a Bricklayer. We worked together a lot over the years. I miss him every day. He taught me a lot about Building a Building and a lot about Life. Now I went from building this building to building relationships. Dad you brought me from being a Craftsman to a Commissioner and I want to Thank you!

I want to acknowledge the past Commissioners who purchased this property in the 70's and the past Commissioners who dedicated Ravenwood and Merritt in the 80's. Had it not for their fore-site the process to get to this point would have been longer. This new facility will bring the County offices that are most utilized by the citizens to a more centralized location within the County thereby making the services provided, more convenient!

This building will provide a great space for the County Employees to work, providing necessary services to the citizens of this great County.

This is a Big Day, an Historic Day, a Milestone of Brick and Mortar. This building will be a Building of Service to the people and it will show a sense of Community, a sense of Pride and will help produce "The Geauga Way of Life". Thank you.
