Questions

THANK YOU VERY MUCH

Commissioners' Journal
June 6, 2023

Mr. Dvorak asked how many youths they help during the summer, to which Ms. Brown said the highest was 55, during COVID it dropped and on average is about 35. There was a brief discussion about taking donations, including furniture that will help the program participants in moving out on their own. Commissioner Spidalieri asked about where the funding comes from, to which Ms. Brown stated the majority of funding comes from Job and Family Services, including TANF funding for individuals aged 14 – 18 or 19 to 24 with a minor in the household. Mr. Spidalieri asked for the total budget which it was noted is \$565,000.00 and goes towards the programs and services they provide. There are about 25 SSA's in the county that work with individuals that offer those with disabilities the ability to choose who they want to work with. Mr. Spidalieri stated that it's often hard to swallow that we failed to teach the skills needed, when you see help wanted signs, to which Ms. Brown stated that the program is not just the work portion, these individuals have barriers, troubled pasts, that include homelessness, foster care aging out, traumatic pasts, including sexual abuse and mental health issues. Ohio Guidestone runs with a program called bridges out of poverty and the steps to get out of it.
