

## Senior Day 2024 “Music in the Meadow”

On Thursday, June 27 the Geauga County Department on Aging and sponsor Ohman Family Living held its Annual Senior Day Celebration at the Meadow Ridge Events Center.

Approximately 120 Geauga County Seniors attended and had an amazing time. The seniors enjoyed many activities, including a catered lunch, dancing, games, raffles, door prizes and live music from NorthCoast Mix.

The activities gave the seniors a reason to get out of the house, and exercise their minds and body. Seniors visited with old friends and created new connections. There was something for everyone!

There was also a touching tribute to two longtime employees, Millissa Norris and David Craig, who have been with the Department on Aging for over 20 years each.
